ANNUAL GENERAL MEETING ON APRIL 5

Do not forget our Annual General Meeting on Saturday, April 5!

From 3 pm onwards, you will be able to enjoy some great entertainment before moving on to the Annual General Meeting from 4 to 6 pm. You will then be able to watch a wheelchair tennis demonstration, and courts will be available for doubles players. Finally, an aperitif will be served from 7pm, followed by a delicious burger & fries. We look forward to seeing many of you, alone or with friends!

Please register so that we can best estimate the number of people attending.

JANUARY 26 ANIMATION

On Sunday January 26, our first women's team organized a sports brunch for the club's adult members. The aim of this initiative was to offer a warm moment around tennis, while strengthening the bonds between members. Carefully prepared by the team, a generous and varied gourmet buffet was served. The day turned out to be a real success, combining sport and conviviality.

An event to be repeated, and a big well done to our LNB40+ team for organizing it!

COURTS LIGHTING

You have all realized that a new lighting has been in place for a few months, and that you now need to insert a card to switch on the lights. This system is transitional until a new system is introduced, based on bookings and coupled with confirmation by card or directly with your cell phone. We will let you know more as soon as everything has been finalized with the municipality and the companies involved.

As every year, SwissTennis organizes an official internal tournament for TCV members. There are only a few days left to register, so hurry up and join the other members. There will be a men's and women's tournament open to all, with direct elimination. Another women's 40+ and men's 45+ tournament in groups of 4-5 players, with a final draw in August. There will also be junior tournaments played in a format adapted to the number of registrations.

Registration deadline is March 31st.

LES INTERCLUBS

The interclubs are fast approaching. They will start on the first week of April and will finish in June, depending on the teams' results. For those who don't play but want to do so during the weekends: please pay attention on the day itself, as courts will be freed up depending on the weather and the progress of the matches.

TCV WINTER TOURNAMENT

During the last weekend of the Christmas vacations, we organized a singles tournament with an active R1-R6 draw of 24 players, in which Mathys Arnold won the final against Gil Cohen by 6-2 7-6 despite saving 2 set points. In R6-R9, there were also 24 participants and Grégoire Bonneau, who was under-classified, easily won all his matches, including the final against club

member Bernardo Tavera, 6-0 6-1. We also had two women's tables on one day, and the victory went to Laurence Horné who won 6-3 6-2 against Israe Boutahar in R3-R6. In the senior women's 40+ R6-R9 category, Caroline Picard beat Isabelle Gétat 6-4 3-6 10-7 in her third match of the day.

Once again, a big well done to everyone; we hope they'll be back for the next edition!

LA CÔTE DOUBLES TOURNAMENT

The La Côte doubles tournament took place on our grounds over the weekend of February 8-9. We had 14 men's and 6 women's teams competing for the title. The men's event saw Vincent Hermie and Slobodan Relic beat Azami Youssef and Berrada Moncef 6-1 6-4. In the women's category, history repeated itself with a Versoix final. The pairing of Tanja French and Yaël Cohen won 6-2 6-1 against Sonja Küpfer and Nathalie Hasler Nguyen. The TCV's male representation in these doubles events must be better represented, so, gentlemen, train hard and be there in 2026!

LEVANT JUNIORS 2025

Our traditional Levant tournament has attracted over 120 youngsters every year for over 40 years. If you cannot make it, come and enjoy some great tennis. The region's top juniors usually take part in this major event, which runs for 2 weeks from March 22, and matches are generally held from 9 am to 6 pm.

TCV SPONSORS IN 2025

It is getting harder and harder to find partners willing to commit to supporting a sport association, so we would like to thank our two current sponsors once again for their trust in the Tennis Club de Versoix. Please let us know if you have any acquaintances who might be interested in joining us.

Thérapies Sport and Move: in the event of injury, do not hesitate to contact their rehabilitation center with recognized doctors, which is particularly specialized for young people.
